Federal Election Commission
C/O Wendy Baker

Dear Ms. Baker:

We are submitting this amended report because in reviewing our last report we discovered an error.

On 5/19 we placed a wire transfer to our media consultant in the amount of \$50,030. This transfer was inadvertently left off of Schedule B in our expenditures report. Enclosed you will find our amended report, which includes this transfer and updates our summary pages as needed.

Due to this error we have reviewed our procedures and are confident that we have instituted measures to assure that this will not occur in the future. I can assure you that this is not an ongoing problem in our campaign.

Thank you,

David Powdrell, Treasurer
